

STUDENTS ON MISSION

*"AS YOU SENT ME INTO THE WORLD,
SO I HAVE SENT THEM INTO THE WORLD."*

JOHN 17:18

CONTINUE TO GROW WITH SENT

If a student **participates** in **SENT** one summer, he or she can apply through their church to be an intern the following year. As an **intern**, the student will be trained further in missional principles and given more responsibility by assisting their team leader throughout the entire planning and implementation process.

Once a student has been an intern, he or she can apply to be a **student team leader** during a third summer. As a student team leader, the student will receive additional training in missional and leadership principles, and they will be fully responsible for planning and leading a team of students who are participating in **SENT** for the first time.

Through this three-year process, a church can disciple and develop their students to become effective missional leaders. This will set them up to be sent as a missionary for the spread of the gospel among the unreached of the world or help mobilize, train and equip others to be sent.

CONSIDER HOW ONE N.C. BAPTIST CHURCH IS INCORPORATING SENT INTO ITS STUDENT AND MISSIONS STRATEGIES.

They are sending a group of students to work with their church partner among **South Asian Hindus in Boston**, who will then travel to work with their **partners in South Asia**.

When the students return, they are being sent to make disciples in two local **communities filled with South Asian Hindu neighbors** only a few miles from where their church gathers.

SENT is designed to enhance the way you are seeking to disciple students, develop leaders, and engage in global missions as a local church. Let us help you incorporate **SENT** into what your church is doing to equip your students to be disciple makers globally.

ARE YOU A HIGH SCHOOL OR COLLEGIATE MINISTRY LEADER?

Do you desire to see your students:

- **deepen their walk with Christ?**
- **mature into disciple-makers?**
- **develop the passion, skills and leadership ability needed to engage in God's mission globally?**

If so, then SENT is for you and your church.

SENT is designed to leverage the partnerships your local church is developing within North Carolina, in North America and around the world. Through **SENT**, your church can mobilize students to participate in a missions intensive that lasts six to eight weeks through which they will learn to become a disciple-maker while serving in multiple contexts.

In addition to an incredible missions experience, students also have the opportunity to earn academic credit with Southeastern Baptist Theological Seminary for each summer they participate in **SENT** through their local church.
